

High Court Justice Rutledge Dies At 55

Stricken With Stroke 2 Weeks Ago

York, Me., Sept. 10—(AP)—Justice Wiley B. Rutledge, whose six years on the U. S. Supreme Court bolstered his "liberal" reputation, died here tonight. He was 55.

Justice Rutledge had been vacationing at nearby Ogunquit when stricken with a cerebral hemorrhage two weeks ago.

He died at York Village hospital shortly after 7 p.m. (CST).

One Of Most Liberal

Justice Rutledge, eighth and final appointment made to the court by the late President Roosevelt, was regarded by many of the legal profession as one of the court's most ardent "liberals." Another was the late Justice Frank Murphy.

Rutledge and Murphy often voted alike in civil rights cases. The husky, soft-spoken Kentucky native was motoring with Mrs. Rutledge from Ogunquit when he became ill Aug. 27. The Rutledge family had been Maine vacationists for the past several years.

A week after he entered the hospital, his physician, Dr. Elmer Tower, disclosed Rutledge had suffered paralysis of the entire left side of his body.

In Long Coma

The jurist had been in a coma much of the time since Sept. 2.

Late today, Dr. Tower had issued a bulletin which indicated that death was very close. The physician said the jurist's temperature had risen to 106 as against a normal 98.6 and his pulse was 128 instead of a normal 80. His respiration was 34.

Rutledge, generally labeled a "liberal," was a former law school head who believed in a democracy that changes with the times.

He was the late Franklin D. Roosevelt's eighth and last appointee to the court. He moved up from the District of Columbia Circuit Court of Appeals in 1943.

2nd Justice To Die

Rutledge's death came less than two months after that of another Roosevelt appointee to the high tribunal, Justice Frank Murphy, who died of a heart ailment in Detroit, July 19.

With Justice Rutledge in his last hours were his grief-stricken family—his widow, Annabel; a son, Neal, and two daughters, Mary Lou and Jean Ann. Neal's wife also was present.

Besides Dr. Tower, of the hospital staff, Justice Rutledge was attended by Dr. Fred A. Geier of Washington, the family physician. Dr. Geier made three plane flights from Washington.

In the first week of his illness the judge, a native of Cloverport, Ky., once was reported out of danger. Several times he suffered relapses before sinking into his final coma. He improved enough last Sunday to talk to his family and smoke a cigarette. On Monday he took solid food for the first time.

Harris Named In Warrant For Try On Shelton's Life

Field, Ill., Sept. 10—(AP)—"Black" Charley Harris, one-time associate of the notorious Shelton gang, was named in a warrant today in the shooting of Earl "Little Earl" Shelton.

Harris was charged with assault with intent to kill. He was arrested on his farm near here and released on \$5,000 bond. A hearing was set for Oct. 3.

"Little Earl," 33, nephew of the Shelton brothers, whose gang roamed southern Illinois during the 20's, was shot 10 times early yesterday.

Physicians at an Evansville Ind. hospital said he will survive. His uncle, "Big Earl" Shelton, who survived a similar attack last May was guarding the victim.

State's Attorney Gerald Mayberry, filed the formal charge against Harris on the complaint of Carl Shelton, "Little Earl's" brother.

Two of "Little Earl's" uncles, Carl and Bernie, were killed in ambushes here and at Peoria, Ill., during the past two years.

Tailors Have Plan To End Cold War

London, Sept. 10—(AP)—A British men's wear journal thought up a way to end the cold war today: A root suit for Stalin, a drape shape for Molotov.

"The Russian sense of humor would be restored," said the magazine Tailor and Cutter. "The Soviet would not take itself quite so seriously."

The magazine said the present garb of Russia's leaders is 25 years out of date.

Girl, 4, Safe After Night With Kidnapper

Philadelphia, Sept. 10—(AP)—A blonde little girl, 4, safe and sound after a night with a kidnapper, told her daddy today: "I'll never go riding with a stranger again."

The man she said took her in his auto yesterday from her Trenton, N. J., neighborhood was charged with kidnapping and indecent assault. He was docketed as Gerald A. Hutt, 35, of Bridgeport, Conn., and said he was a brush salesman estranged from his wife and two children.

Hutt waived extradition and was taken to Trenton for arraignment tonight before Police Judge Albert W. Cooper, Jr.

Cooper ordered Hutt held in \$50,000 bail for action of the Mercer county grand jury on a kidnapping charge.

The defendant entered a plea of guilty during the 20-minute hearing. Under New Jersey law, maximum punishment for kidnapping is life imprisonment. Judge Cooper said the federal Lindbergh law, which carries the death penalty, applies only if ransom has been asked.

Janie and her father, John Franz, Trenton truck driver, were reunited in a police station here. The little girl sat on her daddy's lap as he stroked her head. They spoke in whispers.

"I wouldn't take a million dollars for this moment," Franz said.

The little girl was reported missing late yesterday. Playmates said a stranger took her into a battered car and drove away. She was found this morning standing beside the Philadelphia-Trenton highway.

"Thank God, thank God," sobbed the mother when a reporter told her the child was safe.

Mrs. Franz did not accompany her husband here but waited at home for him to return with their only child.

As they sat talking with reporters in the police station, Franz asked his daughter why she went away with a stranger.

"He called me over daddy and said, do you want to take a ride with me. I said no. He said sure you want to take a ride and pulled me into the car."

"I said I want to see my mommy and daddy but the man said, 'We'll go for a little ride and then I'll bring you home.'"

"I'll never go for a ride with a stranger again daddy," Police testified the un-haven, disheveled Hutt admitted taking the five-year-old child into his car and sleeping with her last night.

Say Tito Tried To Take Hungary

Budapest, Hungary, Sept. 10—(AP)—Hungary charged today that Premier Marshal Tito Yugoslav regime and the American O.S.S. had backed an abortive revolt plot aimed at assassinating Hungarian communist leaders and overthrowing the government.

Former Foreign Minister Laszlo Rajk and Lt. Gen. Georgy Palffy, former commander of Hungary's army as its chief inspector, were named as the Hungarian plot leaders.

They and six others are to go on trial next week on charges of treason and attempting to displace Hungary's communist-led People's Front regime.

The indictment said the group hoped for armed help from Tito and the other "present leaders of Yugoslavia."

The defendants were accused of planning to assassinate Vice Premier Matyas Rakosi, who is chief of Hungary's Communist party; Defense Minister Mahail Parkas and Erno Gero, head of the people's economic council.

"The American and Yugoslav spy organizations helped Rajk in every respect," the indictment declared.

The indictment said the Hungarian group had repeatedly crossed the border to Yugoslavia to discuss assassination plans with Yugoslav police agents and that Tito's vice premier, Alexander Rankovic, had proposed Rajk as the head of a new Hungarian government.

Pre-trial testimony produced by the government quoted Rajk as saying Rankovic spoke thus of the assassination plans:

"You have to think over the possibilities of this liquidation. You could produce an accident that would take care of one of them. Another could be made to appear as suicide. A third could die suddenly because of illness. Or you could kill them in their homes and give some plausible sounding explanations."

The indictment spoke of the eight, as "tools of Tito and of Allan Dulles," who was named as leader of "the American espionage organization, the Office of Strategic Services."

"This was a reference to Allan Dulles, who was chief of the wartime O.S.S. in Europe. He is a New Yorker and an author of a book 'Germany's Underground.'"

Paraguay Leader Resigns His Post

Asuncion, Paraguay, Sept. 10—(AP)—President Felipe Molia Lopez, who seized power in a coup last February, resigned tonight after a dispute with leaders of his ruling Colorado party.

The Colorado party's executive board proclaimed Federico Chaves, judge of the supreme court and former minister, as their choice to succeed Molia Lopez.

Rumors of an impending government shakeup spread through the capital during the event but no violence was reported.

KILLED IN CRASH
Elkhorn, Wis., Sept. 9—(AP)—Kenneth T. Wahl, 27, of Elgin, Ill., was fatally injured today when his automobile overturned on Route 12, near Elkhorn. Sheriff's officers said Wahl was thrown 50 feet and his skull fractured. He died in Lakeland hospital.

One 5% General Restored, But Another Is Retired

Washington, Sept. 10—(AP)—One of two major generals suspended in the senate's "five percenter" probe is being retired, and the other restored to his command, the army said today.

Retired: Alden H. Waitt, 56, under suspension since July 16 as chief of the army's chemical corps.

Restored to duty: Herman Feldman, 57, quartermaster general of the army. He was suspended the same day as Waitt.

In announcing the decision, secretary of the army Gordon Gray spoke of "irregular actions" by Waitt and "errors of judgment" by Feldman.

Gray noted that both officers have devoted the major portion of their lives to the army. But, he said, he had decided it would not be to the best interests of the service to retain Waitt as head of the Chemical Corps. On the other hand, he said that talks with Feldman had convinced him there would be no further lapses of judgment by the quartermaster general, and he was

"gratified" to be able to order him back to his old post.

Technically, Waitt also was restored to active duty. But Gray immediately approved Waitt's application for retirement, at his present rank.

Feldman resumed command as quartermaster general today.

Gray suspended the two generals eight weeks ago today subject to investigation, shortly after a senate subcommittee began inquiring into activities of "five percenter"—perpetrators who undertake to get government contracts for others and charge a fee for doing it, often 5 per cent of the gross.

Charges Pentagon Wrecking Attack Power Of US Navy

Washington, Sept. 10—(AP)—A Navy captain said today that the Navy's attack power is being wrecked in the Pentagon and that he is throwing away his 30-year career by saying so publicly.

He said the furore over the Air Force's B-36 bomber sprang partly from an attempt to keep military policy makers from "emasculating the offensive potential of the U.S. Navy."

Capt. John G. Crommelin, member of the staff that does spadework on America's top secret war plans, protested that the Navy's offensive power is "being nibbled to death" and its morale destroyed.

He told reporters he is tossing overboard his career by speaking out because the Navy's fighting spirit is "going to pot" and "I just can't stand it any longer."

"I'm finished," he said. "This means my naval career. But I hope this will blow the whole thing open and bring on another congressional investigation."

In a prepared statement, Crommelin said much of the same feeling as he holds may have "goaded" the late secretary of defense James V. Forrestal to suicide.

\$2 Duck Stamp To Aid 3 Waterfowl Refuges In Lakes

Milwaukee, Sept. 10—(AP)—The \$2 duck stamp will benefit three major waterfowl refuges in the Great Lakes area, Assistant Secretary of the Interior William E. Warne said tonight.

Warne said the forthcoming increased revenues will enable the fish and wildlife service to expand development and construction work on the Seney National Wildlife refuge in Michigan, the Rice Lake refuge in Minnesota and the Horicon refuge in Wisconsin.

Congress recently doubled the price of the \$1 federal stamp, required of all duck hunters.

In a speech prepared for delivery at Milwaukee's conservation and outdoor show, Warne said:

"The continued increase of hunting pressure on waterfowl, with a steady reduction in suitable habitat, will require the development of existing refuges, federal and state, both large and small, and the addition of several more large-scale restorations similar to Mud Lake refuges, in northwestern Minnesota and to Horicon."

Union officials said the cotton belt tie-up was the result of a misunderstanding. They ordered the striking trainmen to let the cotton belt trains through.

But the confusion continued and nine cotton belt trains, including two passenger trains, stood idle.

As the strike went fully into effect, 600 steam locomotives, 115 diesels and 640 Missouri Pacific passenger cars stood idle in roundhouses and yards.

WATER SOFTENER PLANT DESTROYED

St. Charles, Ill., Sept. 10—(AP)—A fire destroyed the manufacturing plant of the Stover Water Softener company late last night.

Cause of the blaze was undetermined. Fire-fighting equipment from several nearby towns fought to keep the blaze confined to the plant and to protect nearby industrial property.

There was no estimate of damage, but Fire Chief George Modine said the plant was a total loss.

9 Perish As Cruiser Sinks In High Seas

Nantucket Island, Mass., Sept. 10—(AP)—Nine persons, including five women, perished and two men struggled against stormy seas all night to safety after the 36-foot cabin cruiser constance was smashed to bits in a raging storm.

Bodies of the life-jacketed victims were picked up today in the waters between this island and Martha's vineyard, some 20 miles away.

The dead were identified as: The Rev. Hubert Allenby, 52, of Falmouth; Mrs. Allenby, 48; their son, Leighton Allenby, 20; John Hadier, 19, Falmouth; Mr. and Mrs. Robert Nye, 25 and 22, of Rochester, N.Y.; Emily Foster, 21, Falmouth; Jane Mange, 19, Staten Island, N.Y.; and Patricia Dickinson, 18, Verona, N.J.

The survivors of the ill-fated pleasure cruise are Russell Palmer, 23, skipper of the craft; and Alfred

the Coast Guard was notified and several boats, aided by planes and two Navy helicopters, began a search of waters near this island, some 30 miles off Cape Cod. All bodies were recovered.

Young Allenby was brought ashore at Dionis beach by coast guardsmen, tied with three other castaways, later found to be dead. The four, including two girls, had been tied with line from the sunken cruiser.

First word of the tragedy came when Palmer staggered ashore this morning on Dionis beach on the north side of this island, about a mile and a half west of Nantucket harbor.

Palmer, speaking with great difficulty, told a group of sun bathers about others in a boat which had sunk.

Fact-Finders Reject Wage Hike For Steel

18-Year-Old Ranch Girl Is Miss America

Atlantic City, N. J., Sept. 10—(AP)—"Miss Arizona"—dark-haired, blonde-haired, four inches tall, 106 pounds, 34-inch bust, 22-inch waist, 34-inch hips.

It was the first time in 29 years of the pageant that a public official took part in the crowning ceremony.

Miss Mercer won a \$5,000 scholarship, a \$3,000 automobile and numerous contracts for personal appearances.

"I'm dazed," she said, tears looming in her brown eyes.

Miss Mercer stood in her white cotton evening gown with ruffled hoop skirt, plunging neckline and strapless bodice holding tight to the sapphire she had won.

She told the audience: "In Arizona everybody knows me, and I thought they were prejudiced when they sent me here. But you seem to like me too."

She was selected from among 32 girls from 45 states, four major cities, Puerto Rico, Hawaii and Canada.

These are the new Miss America's statistics:

Five feet, four inches tall, 106 pounds, 34-inch bust, 22-inch waist, 34-inch hips.

The four runners up to Miss America and the scholarships they won:

"Miss Mississippi"—Katherine Wright, Pascagoula, \$3,000.

"Miss Illinois"—Trudy Germi, Chicago, \$2,500.

"Miss Colorado"—Sylvia Canaday, Denver, \$2,000.

"Miss California"—June Ann Pederson, Santa Rosa, \$1,500.

The new Miss America told the audience she plans to go to Stanford university to study dramatics.

"Plans for the future are marriage first, career second," she said. She did not name any young man as her prospective husband.

Whether the fact-finding board's recommendations would over the walkout scheduled for 12:01 a.m. Wednesday was not yet apparent. But President Truman asked at least a 10-day extension of the existing truce.

The board said living costs have declined and the postwar race between them and wages has been called off by "economic forces." Therefore it recommended against a pay boost.

Pension-Insurance Plan Instead it advised:

1. A company financed pension which, taken together with social security, would give workers \$100 a month at age 65.

2. A company-financed insurance system, the details to be worked out by collective bargaining.

Together these things would cost the industry up to 10 cents an hour per man, the board estimated. Six cents of this would be for pensions and four cents for insurance.

The board noted that the actual cost of its pension and insurance recommendations might run nearer to eight cents per man per hour.

That would be due, the board said, to the provision that amounts companies now may be paying toward pension and insurance plans should be credited against the recommended cost of the new programs.

The union had asked for a 30-cent package, including 12 cents an hour as a direct wage boost. Present wages average about \$1.65 an hour.

Strike Be Postponed President Truman appealed to the union to postpone its walkout at least another 10 days while the parties weighed the board's proposals as a basis for negotiating their own settlement. The President offered the assistance of conciliation chief Cyrus S. Ching, who helped bring about a 60-day truce last July.

CIO President Philip Murray said the union would answer Monday afternoon in Pittsburgh. Already workers in four states, where strike ballots are required before a walk-out, have voted 15 to 1 for a strike if necessary, the union said.

The Bethlehem Steel Co. said in a statement from Bethlehem, Pa., it was advising the President "that we will continue our plants in operation provided that the union will continue to work."

Inland Steel announced at Chicago that it had agreed to the 10-day-extension. But President Clarence B. Randall wired the President that the report should not be examined under threat of a strike.

Report Production Going Up After 10-Month Decline

Washington, Sept. 10—(AP)—The nation's industrial output is swelling upward again after 10 months steady decline, the President's economic advisers reported today.

They said August production jumped seven points above the preceding month to notch the first gain since October, 1948, when the peak mark was reached and the long slump began.

The economic council did not attempt any forecast of the future, but its findings followed on the heels of the census bureau's report that employment spurted to the highest point of the year in August while the number of jobless fell 406,000 below July's record total.

These two developments were seized upon by government experts as indicating that the downward spiral in the nation's economy had been halted — provided that the unsettled labor situation does not bring forth a series of crippling strikes.

CREW OF SHIP SAFE

Br'er rabbit hopped off to a long lead, but just one inch from the finish line he stopped to rest and twitch his nose a spell.

A thousand skeptical kids out for a turtle learned right then that Uncle Remus knew what he was talking about when he said folks should make haste slowly.

Recommend Pension Paid By Employers

Washington, Sept. 10—(AP)—A presidential board today rejected a fourth round wage increase for one million CIO steelworkers threatening a nation-wide strike, but recommended a pension-insurance "package" of 10 cents an hour.

Whether the fact-finding board's recommendations would over the walkout scheduled for 12:01 a.m. Wednesday was not yet apparent. But President Truman asked at least a 10-day extension of the existing truce.

The board said living costs have declined and the postwar race between them and wages has been called off by "economic forces." Therefore it recommended against a pay boost.

Agriculture Dept. Says Hog Prices Will Drop In Fall

Washington, Sept. 10—(AP)—Hog prices may drop more than 18 percent this fall, the Agriculture department said today.

Prices normally decline in the fall and early winter, because "those are the seasons of heaviest marketings." But this year fall marketings are expected to be considerably larger than a year ago.

"The fall seasonal decline in hog prices," said a department livestock report, "may be somewhat greater than the 20-year average of 18 per cent."

The report repeated previous department predictions that the prices may drop to government price support levels during the fall or winter. The support prices will vary seasonally from \$18.50 in September to perhaps \$15 or less in December.

Waits To See If Swearing Reason For Losing Job

Huntington, Ind., Sept. 10—(AP)—Mrs. Edna Ruggles, Merion (Ind.) factory worker is marking time as a waitress while she waits to see whether swearing is a justifiable reason for losing her job.

An examiner for the National Labor Relations Board recommended Wednesday that she be given her job back in the Indianaapolis Glove Co. factory at Marion. The examiner took time to grieve over swearing as a "lost art."

"I'm pretty damn tired of the whole thing," she told a reporter. "I was the fastest worker in the plant. They just used swearing as an excuse."

While she waits to see whether the NLRB will restore her to the glove factory job she held for 14 years, Mrs. Ruggles is a waitress at Nick's truck stop, at the east edge of this city. Her husband, Clarence, is manager.

The couple has a son in the navy at Norfolk, Va.

WEATHER

The Norbury Sanatorium, cooperative observer for the U.S. Weather Bureau, yesterday reported the temperatures for Saturday as follows:

High: 80; low: 46; and at 6 p.m., 71.

Forecast for Illinois—Considerable cloudiness today and mild with showers.

MAKING IT EASY FOR FOREIGN AGENTS

Thanks to the Navy, life gets easier and easier for the foreign spy. Time was when he really had to dig for his facts. But now he can slip into a quiet little saloon, order a drink and do his daily chore just by giving a close look at photographic murals on the walls.

Silly as this may sound, it's true. Anybody curious about how Washington looks from 49,000 feet, for example, can drop into the capital's Club 400, run by one Charles Bomze, and squint at what is believed to be the highest altitude photograph ever made.

The shot has been blown up to huge size, which will tend to reduce eyestrain among foreign agents. As a further accidental convenience, the stratospheric picture is flanked by a blow-up of the graceful Supreme Court building, providing a nice change of pace.

We have the word of Air Force veterans that any bombardier would rate this aerial shot of Washington a complete joy. It covers 121 square miles and clearly defines every military target in the capital, from the White House to the naval ordnance works.

Amazing as it may seem, at the time this picture was discovered in Club 400 by an enterprising reporter it had not been released for publication. Its existence was known to the press weeks ago, but it was being kept "secret" for reasons which have now evaporated.

The Navy had planned to offer the shot as a "surprise exhibit" in the B-36 bomber hearings before the House Armed Services Committee. The idea was to show that Navy jet planes could climb high enough to intercept and, presumably, knock down the giant bomber. But the hearings were ended abruptly before the picture could be presented.

Meantime, Proprietor Bomze acquired possession of the thing when a customer left it in a booth. He waited awhile for somebody to claim the photograph but no one did. Then he decided it would look fine as a blow-up beside the Supreme Court shot.

The careless customer who forgot the picture is presumed to be a Navy man who was more concerned at the time with internal comfort than internal security. Or maybe he figured no one could ever dope the picture out. We must admit that to the layman it looks like an X-ray of somebody's lungs than a prized view of vital targets.

The Navy's current position on the Club 400 fiasco is a trifle puzzling. While news photographers swarm over Bomze's premises snapping numerous shots of the mural, Navy officers firmly refuse to "release it for publication." In another breath, they point out that the picture long ago was given security clearance.

The weary citizen grasping for some thread of sense in all this perhaps ought to conclude—charitably—that the silly season installed for so many weeks on Capitol Hill has at least reached across the Potomac to embrace the Pentagon.

Boyle's Column

The Loneliest Industry On Earth—Writing A Column

By HAL BOYLE
New York, Sept. 10.—(AP)—This is the sixth anniversary of my entrance into prison.

It is a hoosegow of the mind—the business of writing a daily newspaper column. The high walls and iron bars of this mental penitentiary don't show. But they are there—in the convict's brain—growing higher and stronger with the years.

Writing a newspaper column is one of the oddest occupations in our screwball civilization. To become a lawyer, a doctor, or an undertaker you have to go to school. But there is no college for columnists anymore than there is for astrologers.

There is no test, no standard of qualification, no training for this bizarre business.

One Parent, Frontal Lobe
Drew Pearson started as a diplomatic reporter. Walter Winchell began in vaudeville. Dewitt MacKenzie was a foreign correspondent. Westbrook Pegler and Bob Ruark were sports writers. Eleanor Roosevelt was a mother and magazine editor. Billy Rose a showman and song writer. Will Rogers, Bob Hope and Milton Berle turned to columnizing after successful careers as comedians. Margaret Chase Smith, a U. S. senator from Maine, now writes a column. So do a number of congressmen.

To be a columnist isn't necessary to be able either to think—or to write. You can hire ghosts to do those chores for you.

But if you do it yourself it is hard

work, and the loneliest industry on earth. For brain children have only one parent—the frontal lobe.

Some people have the idea that writing a daily column is a glamorous career, and leadpipe cinch. But those who have done it know better. The late Don Marquis called it "digging a daily grave." Asked if he found his task difficult, Red Smith, celebrated sports columnist of the New York Herald Tribune, said:

"No, you just sit down at your typewriter, open your veins—and bleed."

Write A Column, He Was Told
How do you get a job writing a column? Some people ask for it—and it just happens to others. It just happened to me.

In 1943 the Associated Press decided it wanted a warrent column about the troops. It asked one reporter to do it, and this wise man said, "no, thanks." Someone then happened to recall I was in Sicily, and a message came: "Boyle, start writing a column." I did. Although the war ended four years ago no one thought to revoke the order. So I am still at it. That is a funny thing about columns and comic strips. They go on forever—like Tarzan of the apes.

The danger in columnizing is that it is likely to give a man the idea he is an expert on everything from cattle-breeding to flagpole sitting. Its occupational hazards are chair sores and puncturing. A little baby oil in the right spot will heal the chair sores, but there is no cure except death for the columnist who acquires the disease of taking himself too seriously.

Columnists, like presidents, get many letters and small gifts from the people. If they write that they like black cherries, someone is sure to send them a box. But if they mention they are fond of sea breezes, no one ever airmails them a yacht.

But it's the sentiment that counts. So, even though my fair is fast vanishing, I am grateful for the fellow who sent me a bottle of beer shampoo. It tasted fine, and my scoldaughter thought it was cute the way I burped soap bubbles for three days.

And right now I want to thank the reader who mailed me a glass eye recently.

It was just my color—reddish blue.

Sgt. J. F. Milnes Is Buried With Military Honors
Memorial services for Sgt. James F. Milnes, son of Mrs. Elta Milnes Thompson of Franklin, were held at Camp Butler National cemetery near Springfield Friday at 1:30 p.m. The services were conducted by the chaplain of the military cemetery.

Sgt. Milnes enlisted in the U. S. Army Air Corps on November 23, 1942 at the age of 17 years at Chicago. He went overseas in December 1943 and was killed on February 22, 1944, at Grau, Austria, in an air raid. Sgt. Milnes, at the time of his death, was a member of the 16th Bomb Sq., 449th Bomb Grp, 15th Air Corps.

Games were played during the evening, with prizes being won by Mrs. Clyde Landreth, first and floating; Mrs. Alma Bourn, second high; Mrs. William Bond, low and Mrs. Herman Weder, door prize.

Among those present were Mrs. Herman Weder of Winchester; Mrs. Frank Kaufmann, Mrs. A. W. Ward, Mrs. Clyde Landreth, Mrs. William Bond, Miss Myrtle Bond, Mrs. Liddy Dotson, Mrs. Alma Bourn, Mrs. Myrtle Rush, Mrs. Nina Snyder, the guest of honor and the hostess.

Alton Couple Wed At Carrollton

Carrollton.—Miss Dorothy Wilson of Alton and Earl Poisson of East Alton were united in marriage here Friday at 3 p.m. at the Baptist parsonage. The ceremony was performed by Rev. Laurel Grigg, pastor of the Baptist church. The couple were attended by Mr. and Mrs. Robert Chinoweth, brother-in-law and sister of the bride.

Following the ceremony a dinner was served at Carter's Drive Inn on Route 67, after which the bride's sister, Mrs. Margaret Shank, entertained at a reception at her home in Alton.

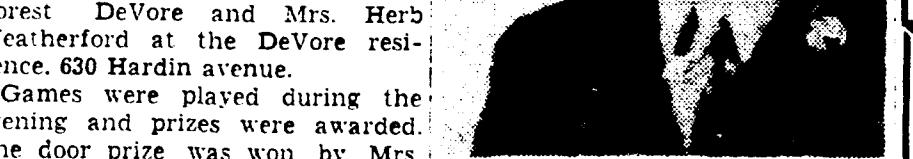

Mr. and Mrs. Poisson left Friday evening for a wedding trip into the Ozarks and upon their return they will make their home in Alton.

Aunt Of Local Resident Dies
Word of the death of Mrs. Susie Adams of East Moline was received here by her niece, Mrs. Guyler Guthrie, 541 North Sandy street.

Mrs. Adams died Friday night at St. Anthony's hospital in Rock Island. Last Sunday, Mrs. Guthrie and several cousins visited her at the hospital.

The decedent, a sister of the late Mrs. George Boeths of this city, has several nieces and nephews residing here.

Arrangements for the funeral are incomplete.

SGT. JAMES F. MILNES

He received the Presidential Citation, four Oak Leaf clusters and the Purple Heart.

Sgt. Milnes is survived by his father, Floyd E. Milnes of Chicago; his mother, Mrs. Elta Milnes Thompson of Franklin; a sister, Mrs. Betty Westland, Jacksonville, Florida; a half-sister, Mrs. Marceline Ferguson, Detroit, Michigan, and a niece, Linda Lou Westland. He has numerous relatives in Franklin and Palmyra, Ill. He had visited in Morgan and Macoupin counties numerous times before enlisting in the Army Air Corps.

Weds Local Man Circle Six, Grace W.S.C.S. Appoints Committee Heads
Committee chairmen were named by Circle Six of Grace Methodist church at its meeting held Friday at the home of Mrs. R. C. Wheeler, 1431 Mound avenue.

The committees will be headed by Mrs. Clarendon Smith, devotions; Mrs. G. G. Sturm, finance; Mrs. Howard Walls, program; Mrs. Geo. Thayer, bazaar; Mrs. B. S. Haite, courtesy; Mrs. Ivan Garrison, visiting; and Mrs. Willard Cook, hostess.

Plans were discussed for the annual bazaar and the fall rummage sale. Mrs. Howard Walls announced the following programs for the coming year: October, Mrs. C. P. McClelland; November, Mrs. A. B. Applebee; December, Christmas program; January-May, study book, "Women of Scripture"; and June, joint meeting with other circles.

Preceding the meeting, which was conducted by the president, Mrs. Glenn Kendall, a potluck luncheon was served, with Mrs. Russell Rawlings acting as assistant hostess. Twenty-four members and guests were present.

Mrs. Clarendon Smith was devotional leader. The guest speaker was Miss J. I. Graham, who told of her experiences in her 20 years of conducting vacation Bible schools. The next meeting will be held on the second Friday in October.

Weds Local Man

MRS. CHARLES J. RYAN

The marriage of Miss Monica E. Lechner, daughter of Mr. and Mrs. John Bart Lechner of Elmhurst, and Charles J. (Bud) Ryan, son of Mr. and Mrs. Charles M. Ryan, 402 Sandusky street, took place Aug. 30 in Holy Name Cathedral in Chicago.

After a wedding trip to northern Minnesota, the couple will reside at 1435 Astor street, Chicago. Mr. Ryan is completing his last semester at Northwestern University School of Law.

Most Rent Control Offices Located In Larger Cities
According to an announcement from Chicago yesterday, practically all downstate rent control offices in Illinois have been closed and the work will be carried on by officials in larger cities.

The Jacksonville office was closed several months ago and the work in this area has been carried out from Springfield with a representative visiting this city every Friday, with headquarters in the basement of the postoffice. This representative discontinued his visits here two weeks ago.

It was reported yesterday that several Jacksonville renters had received notices from the Springfield office that local landlords had petitioned for rent increases.

It has never been officially announced that rent controls in Jacksonville and Morgan county had been removed, although a story from Washington several weeks ago stated that such a move was being contemplated.

Worst defeat ever suffered by a University of Texas football team was the 64-0 beating received in 1904 from Chicago.

Constant Standing May Cause Serious Foot Difficulties

By Edwin P. Jordan, M.D.
Written for NEA Service

When human beings started walking upright instead of hanging from trees by their hands, they placed a heavy burden on their feet. The feet do the job pretty well but they take a lot of pounding during the course of a lifetime.

The risk of developing serious foot difficulties can be lessened. One way to do this is to give the feet proper exercise. Children accomplish this by jumping, running, and skipping; they certainly avoid one of the worst practices, namely, standing still in one place for a long time!

For grownups whose occupations require constant standing, frequent periods of rest or short walks are often helpful. In other words, the

foot needs a proper proportion of rest and exercise. Frequent bathing is desirable. Warm water or an alternation of warm and cold water tends to stimulate the circulation of blood in the feet and this also helps.

Careful Choice Of Shoes

Choice of shoes is highly important. Children should have shoes which fit and that means particularly shoes which are not worn after a child's foot has outgrown them and the big toe presses into the shoe. Also the growing child should probably have a shoe with a straight inner margin and with a toe which can withstand rough treatment.

Men's shoes should protect the feet against hard surfaces, should fit properly and should allow enough room for the toes. Enough space should be permitted inside to allow the toes to move freely.

Style constantly interferes with the hygienic needs of the foot in women. The shoe with a high heel, if desired for style, ought to be eliminated during ordinary occasions, such as shopping, or walking, where the needs of the foot can be considered more important.

Note: Dr. Jordan is unable to answer individual questions from readers. However, each day he will answer one of the most frequently asked questions in his column.

The Doctor Answers

Question: I am not allowed to have any raw fruit or vegetables because of a spastic colon. What can I substitute in vitamins for these foods?

Answer: You will probably get enough in cooked fruits and vegetables, but if you do not your doctor can

easily prescribe what vitamins you need in the form of prepared pills or capsules.

3 Cass County Sisters Train For Nursing Careers

Ashland—Miss Mary Margaret Leahy, daughter of Mr. and Mrs. Joe

Leahy and a 1948 graduate of St. John's school of nursing at Springfield, left Tuesday for St. Mary's hospital at Decatur, where she will take a special three-months course in anesthesia.

Her younger sister, Jo Ann, will enter St. John's school of nursing. Another sister, Alice Regina, graduated from St. John's in June 1949, and plans to take a special course this fall.

Mr. and Mrs. Paul Howland and son left Monday for their home in New York, after a visit here with

Mr. Howland's parents, Mr. and Mrs. O. N. McDaniel, and also with Mr. Howland's parents in Kirksville, Mo. Newt C. Long has returned to his home here from Passavant hospital at Jacksonville, where he had been a patient for the past four weeks.

A daughter was born to Mr. and Mrs. Raymond Akers Sunday morning. Mrs. Akers was formerly Miss Norma Edgar.

The University of Arizona football team plays seven night and three afternoon games during the 1949 season.

Good home lighting may mean the difference

between success and failure. Follow these simple suggestions and your child will never be at a disadvantage due to faulty lighting.

1. Eliminate dark shadows in the study room by having an adequate source of general light (ceiling or indirect light).
2. Have a lamp of at least 150 watts for reading (preferably diffused-type giving "soft" light).
3. Eliminate glare (have no unshielded lights within direct vision of child at work in the room).

Your child will be able to make the best progress in study with good lighting. And the suggestions may be used to benefit the whole family. Why not review your lighting needs today?

Cortisone Holds Promise For Gout; Time Will Tell

By Edwin P. Jordan, M.D.

Written for NEA Service

Many articles have already been written about the remarkable effects in rheumatoid (the crippling) arthritis and rheumatic fever of a hormone originally obtained from the adrenal gland known as compound E or cortisone. This hormone and another obtained from the pituitary gland known as ACTH appear to relieve the symptoms of rheumatoid arthritis, rheumatic fever, and gout. They do this promptly and apparently almost completely. Why they do it, however, is not well understood as yet.

In most cases the symptoms for which compound E or cortisone is given return just as badly as before immediately or soon after the injections are stopped. Also, no one yet knows how much of these hormones should be given or how long they can be continued with safety to the patient. In other words, it is not yet certain whether cortisone is safe to give in quantities which will produce relief or whether it can be given for long periods of time without producing other conditions as bad or worse than those which one is trying to relieve.

Prohibitory Expense

It cannot be emphasized too much also that cortisone is just not available except in extremely small quantities. It is still being experimented with and is exceedingly expensive although there is hope that the quantity will be increased and the expense decreased within a year.

At present, however, scientists and physicians should be allowed to continue their investigations of these extremely powerful substances without too much pressure from the suffering patient who must wait until the necessary testing has been done. Unless this happens, much harm may be done to many patients and the many scientific problems with a serious delay develop in solving still remain.

Note: Dr. Jordan is unable to answer individual questions from readers. However, each day he will answer one of the most frequently asked questions in his column.

The Doctor Answers

Question: Is it abnormal in a four-year-old boy for the testis not to be descended? If it is, what can be done for it?

Answer: It is generally recommended that nothing be done until about five years old because descent may occur up to that time. If nothing has happened by five, hormones may be tried or an operation may be necessary.

Scouts To Wear Berets

London.—P.—The Boy Scouts association has announced that members over 15 may wear berets with their uniforms. Color of the berets will vary according to rank. They will be used at camps and on other informal occasions.

The familiar broad-brimmed "Baden Powell" hat will continue to be regulation for ceremonial activities. Berets also are standard off duty headgear in the British army, where they were made popular during the war by Field Marshal Viscount Montgomery.

Mrs. Edith Caswell entertained the Ladies Aid of the Christian church at her home Wednesday afternoon. Mrs. Betty Kruse was assistant hostess.

National Anthem Starts Exit Rush

Singapore.—(P)—Theater owners are trying to cope with a ticklish problem—how to keep them standing and not rushing for the exits as soon as "God Save The King" is played.

It seems that previous efforts to play the national anthem at the end of each film performance here proved dismal failures. The less expensive seats patrons almost stampeded the doors as soon as a

slide of George I appeared on the screen and a record played the anthem.

Then, theater operators decided to play "God Save The King" only once daily, at the end of the evening. They even put slides on the screen telling patrons in varied languages that they could expect the anthem once the feature was ended. It did little good. Latest proposal is to keep the doors locked until "God Save The King" is finished.

EFFECTS OF TROPICS ON WARSHIPS STUDIED

Singapore.—(P)—Scientists are at work on experiments at the King Edward VII College of Medicine to determine whether warships in far eastern waters should be "tropicalized" to suit climatic conditions.

Surgeon Commander F. P. Ellis, who heads the unit, explained the work: "The admiralty was interest-

ed in climatic problems during the war, when reports from warships in tropical waters suggested that severity of the heat between decks was likely to interfere with the fighting efficiency of the fleet. If it was involved in prolonged actions with the enemy."

Party Lines

Party line telephone users realize that good service depends on the mutual thoughtfulness of everyone on the line. Your Telephone Company hopes that people with party line service follow certain "common sense" suggestions so that better telephone service can be secured from your telephone.

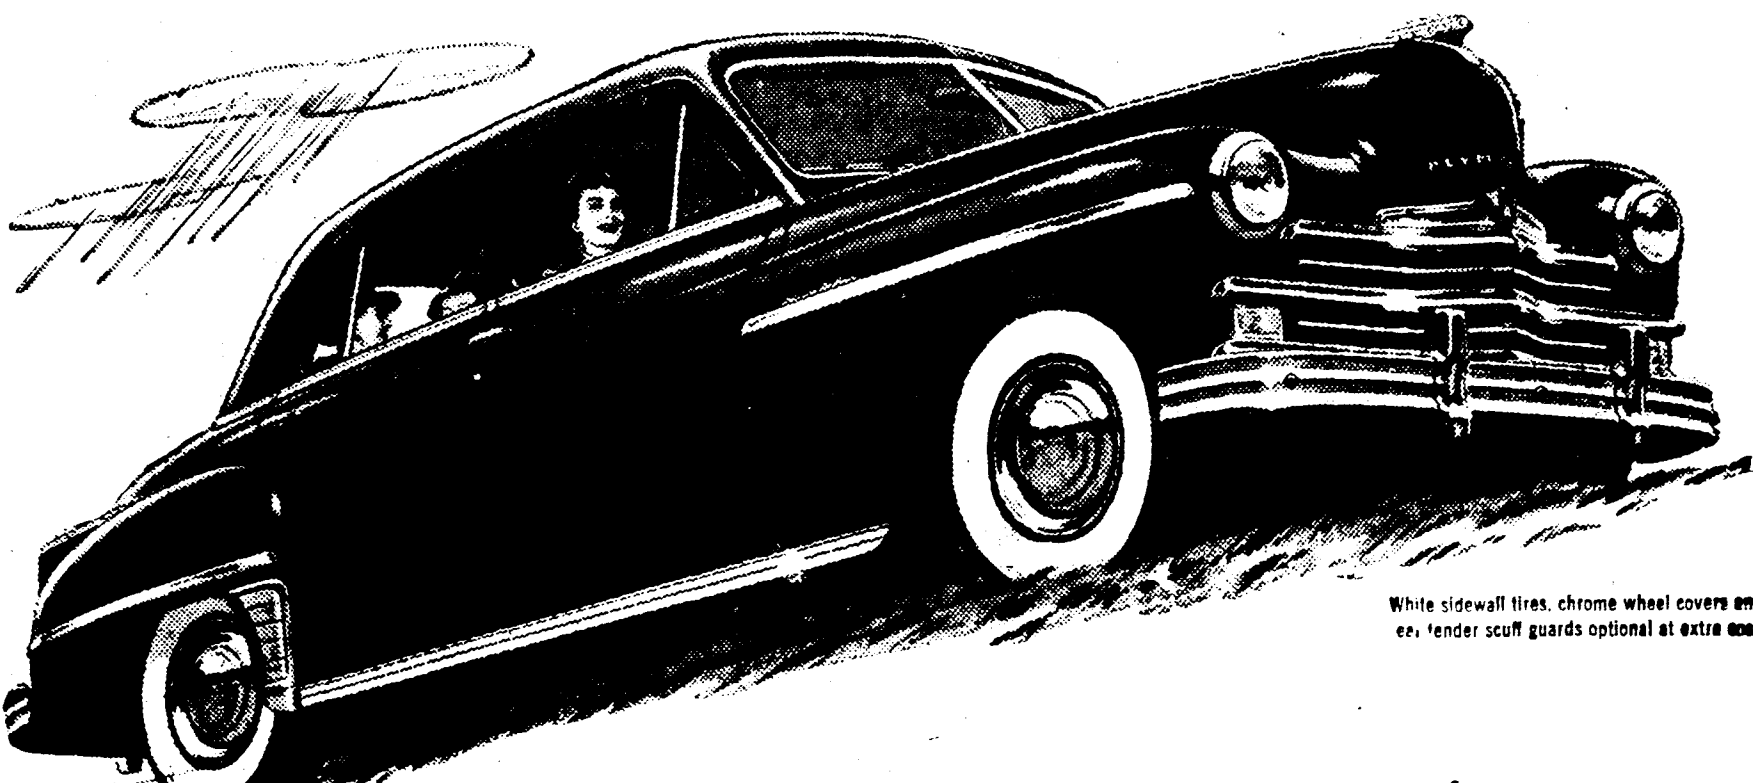

For the information of our telephone users, we publish the following good neighbor party line pledge:

1. I will be as brief as possible, because someone else may be waiting to use the line.
2. I will answer my telephone promptly when it rings.
3. I will not hesitate in hanging up the receiver when I'm through talking, for one receiver off means the whole line is out of service.
4. I will let the other fellow enjoy secrecy of communication.
5. In the event I have several calls to make, I will "space" them in order to allow others to make their calls.
6. I will gladly hang up when someone on the line wants to place an emergency call.
7. I will urge the young folks in our home to share the line.
8. I will give the other fellow a chance to finish his conversation without interruption before trying to place my call.

Some cars squeeze a lot more power out of the gasoline they use than others. That's because of the difference between the compression ratios of the engines. The higher the ratio, the harder the fuel works.

With a 7.0 to 1 compression ratio — *highest among the three leading low-priced cars* — and newly designed intake manifold, the Plymouth engine burns gasoline at peak efficiency, gives top performance.

Plymouth is the *only* one of "all three" low-priced cars with the sensational new chrome compression rings. They reduce cylinder wall scuffing, add thousands of miles to the life of the engine. Wider drainage slots in the new oil control rings make possible greater oil economy.

These are but a few of the new engine features in the great new Plymouth. These features work together to give you a car that performs brilliantly and delivers the thousands of trouble-free miles that mean lasting satisfaction.

Before you buy any car — at any price — be sure to visit your nearby Plymouth dealer. He'll gladly arrange a demonstration drive. Let the ride decide!

Board Of Review In Greene County To Meet Sept. 20

Carrollton — The Greene County Board of Review adjourned Wednesday, Sept. 7, until Sept. 20 when the work of the year will be completed. The board is reconvening because of the fact that the consolidation of schools in several districts in Greene county has changed the school district number on much of the farm land of the county and the changing of the lands into new districts will be completed before the Board of Review finishes its work for the year.

Members of the Philathea class of the Baptist church will be entertained Monday evening by Miss Ella Black at the home of her parents, Mr. and Mrs. Robert Black. The program for the year will be planned at this time and the program booklets made. The class is also sponsoring the money to assist members of the church bulletin board committee in the purchase of a bulletin board for the church yard. Plans for this project will be discussed Monday evening. Mrs. Herbert Harr is chairman of the fund raising committee in the class.

UN AGENCY SUPPLIES FOOD—AND HOPE—A young boy in Vienna, Austria, sits completely oblivious to his surroundings. He has only one thought in mind—food. The little girl at Havrana, Slovakia, thinks of food, too, as she drinks a happy toast—consisting of a cup of fresh milk—to the people who supplied it. The United Nations International Children's Emergency Fund gives a daily supplement of milk and other foods, plus medical care, to the school children of Europe. Most important of all, the agency gives hope for a better future to thousands of war-weary youngsters.

MANCHESTER

Manchester—The East Side Helping club met Thursday with Mrs. Linie Edwards. Following a potluck dinner at noon, the day was spent quilting.

Mr. and Mrs. Keith Collins entertained the following at dinner Thursday evening: Dr. and Mrs. J. Y. Burbank and daughter from Winchester and Mr. and Mrs. Russell Duncan and sons. The event honored Miss Burbank, who will leave soon for Kansas university.

Recent visitors of Mr. and Mrs. Gary Hawkins and family were Mrs. Ross Hawkins and children. Mr. and Mrs. Harold Bratsch and family and Mr. and Mrs. Dick Hartz.

Miss Noxie Savage, Livingston, Tenn., is visiting friends and relatives here.

Howard Blair of Erie was a recent guest of his sister and brother-in-law, Mr. and Mrs. Earl Hawkins and family.

Lions Convention Reviewed For Carrollton Club

Carrollton—Olin Stead, superintendent of the Carrollton schools, Miss Elizabeth Meek, Miss Donna McDonald and Dickie Mehrhoff were the speakers at the dinner meeting of the Carrollton Lions club held Thursday evening in the Presbyterian church.

Stead, who represented the club at the International Lions Convention held in New York City, gave a review of the convention. Miss Meek and Miss McDonald attended Girl's State this summer and Mehrhoff attended Boy's State, through the courtesy of the Lions club, the American Legion Auxiliary and the American Legion. Each gave a resume of the week of attendance at the two organizations.

Plans were completed for the trip for club members and their wives to St. Louis on Sept. 14 to see the game between the New York Giants and the Cardinals.

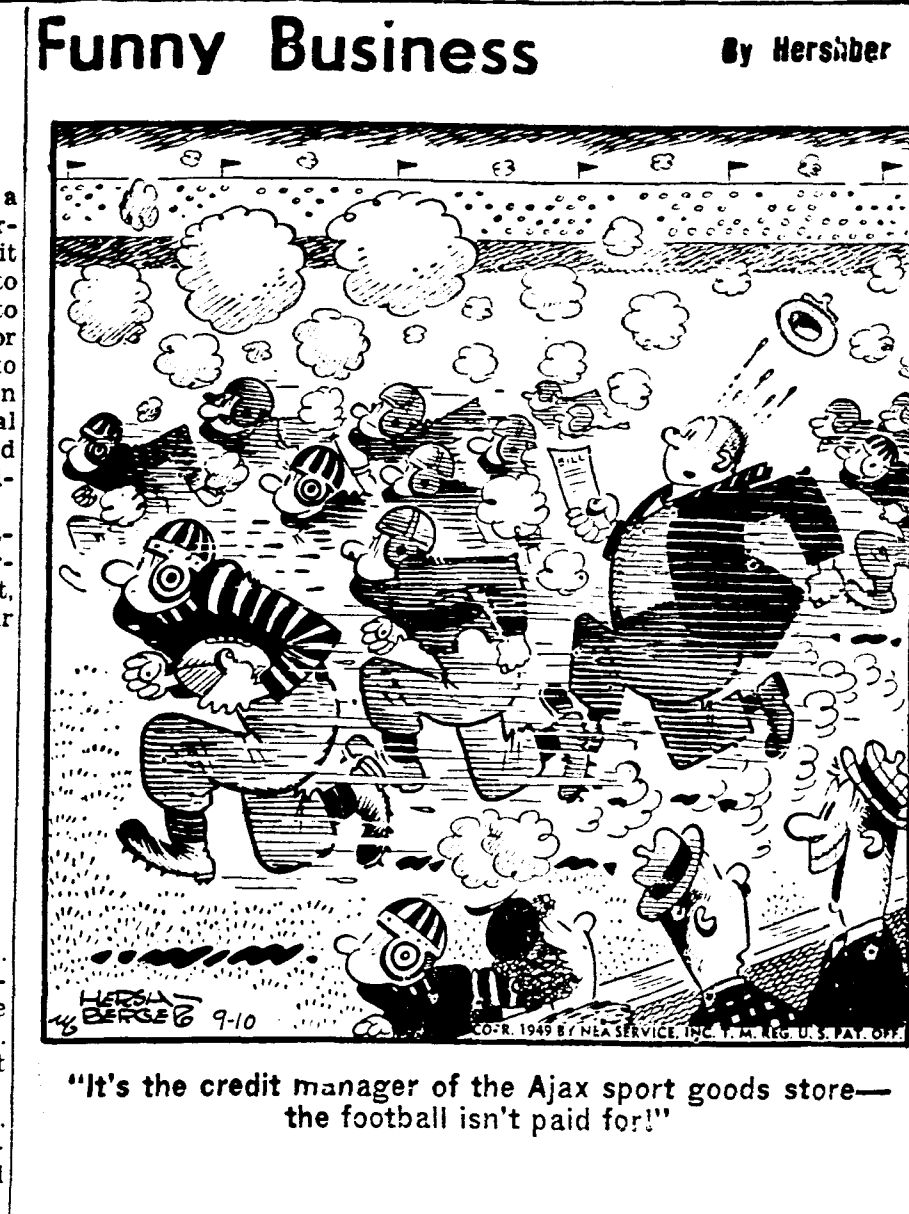

Plans were also discussed concerning the Lions Zone dinner meeting to be held here in the near future, with Lion members from Greenfield and Jerseyville in attendance.

Pleads Guilty To Robbery Charge

Paul C. Hobbs pleaded guilty to a charge of robbery when he was arraigned before Clem Smith in circuit court and asked to be admitted to probation. The case was referred to Henri Servais, probation officer, for investigation. Hobbs is alleged to have snatched a purse from a woman on the public square here several months ago. He was apprehended after a chase in which several citizens participated.

Several other defendants to indictments appeared in court, were furnished with a copy of the indictment, list of witnesses and jurors, but their cases were continued.

He spoke of the problems facing the hard of hearing, describing methods of fitting and instructing individuals in the use of mechanical aids. He also gave a brief history of the use and development of individual hearing aids in the United States.

Maurice Mansfield, local hearing aid company representative, spoke Friday noon to the Rotary club on the subject of hearing aids.

Mr. Mansfield was introduced by Mr. Mansfield is a member of the Jerry Cook, program chairman.

7 YEARS AGO

MASTER MIX FEED manufacturers recognized that a future serious shortage of A.P.F., (Animal Protein Factor), faced the feed industry. Research for an adequate, efficient and economical source was instituted. Five years ago they introduced METHIO-VITE to the feeding world. Today METHIO-VITE continues to be the most adequate, efficient and economical source of A.P.F. METHIO-VITE is the copyrighted trade name of a balanced blend of Condensed Fish Solubles, Fish Meal, Riboflavin Supplement, Niacin and Choline Chloride.

Couple Injured On Trip To Smokies

Jerseyville—Dr. and Mrs. Robert G. Mindrup of this city suffered minor injuries when the car in which they were riding on a highway in the vicinity of Gatlinburg, Tenn., figured in a head-on collision with another vehicle late Thursday afternoon.

According to reports of the accident, the driver of the second car involved in the wreck endeavored to pass a third vehicle on a sharp curve in the road and met the Mindrup car coming from the other direction.

The Mindrup car was badly demolished, but both Dr. Mindrup and his wife escaped with minor injuries. The couple had been vacationing in the Smoky mountains, and Dr. Mindrup expects to return to his duties here Sept. 15.

SHOPPING TRIP BRINGS CUSTOMS TROUBLE

Singapore—(P)—Sixty Chinese passengers on a Medan (Sumatra) to Batavia (Java) ship pushed through a police guard during a short stop in Singapore and went shopping. Then the trouble began for the 60 who had failed to obtain landing permits.

The goods they purchased were described to querulous Customs Officials as "personal effects." The officials contended the shoppers lacked "export permits" for the "personal effects" valued at about \$23,500.

Custom officials detained the "personal effects" and the passengers as "trespassers." Meanwhile, their ship sailed. Immigration authorities succeeded in finding passage for most of the "trespassers" to Batavia. However, some of them are still in Singapore.

West Coast Planted With Ancient Trees

Berkeley, Calif.—(P)—Thousands of seeds of a tree once supposed to have been extinct for 20 million years have been planted on the west coast. The tree is the Dawn Redwood.

Many fossil specimens of the tree have been found in the west. It is thought it is the ancestor of the modern California redwoods. Last year Dr. Ralph W. Chaney went to China and found the dawn redwood growing there. He brought back four seedlings and thousands of seeds.

In a trip up and down the coast this year Chaney planted many of the seeds in areas where the same type of tree grew millions of years ago.

Italy is the third leading producer of raw silk in the world.

Dog Bite Is Called "Mixup"

Cardiff, Wales—(P)—Mrs. Mabel Coniber told a judge her dog Bruce isn't really mean. He just got mixed up while she was introducing him to the postman. Mrs. Coniber came into court on a charge of failing to keep a dangerous dog under control—i.e., Bruce.

Bruce, who is four, has a habit at Herkheim.

of picking up the mail from the postman and taking it to his mistress. Last week there was a new postman. "I waited at the gate," said Mrs. Coniber, "to introduce him to the dog."

Something went wrong. Instead of shaking hands Bruce bit the postman in the leg. The court, holding there was a reasonable doubt that Bruce is dangerous in more normal circumstances, dismissed the case.

US Women Tennis Stars Overwhelm British In Meet

Philadelphia, Sept. 10.—(AP)—Britain's faintly flickering hope of regaining the Wightman cup perished in just 22 minutes today on the sun-drenched Merion Cricket club court, and tonight the prized Women's International Tennis trophy is in the possession of the United States for the 19th straight year.

It took Miss Doris Hart of Jacksonville, Fla., just 22 minutes to defeat Mrs. Betty Hilton, 6-1, and 6-3, in the "must" match as far as the English girls were concerned.

The Americans had won the two singles and one doubles match yesterday and needed only one victory out of the four matches today to assure a four-out-of-seven edge in the competition. Miss Hart's victory relegated the remaining two singles and one doubles match to a "formality" status, although the matches count in the final standing.

In the other singles matches Mrs. Margaret Osborne DuPont of Wilmington, Del., defeated Mrs. Jean Walker-Smith, 6-4 and 6-2, and Miss Beverly Baker of Santa Monica, Calif., substituting for Miss Louise Brough of Beverly Hills, Calif., defeated Miss Jean Uertler, 6-4 and 7-5. Miss Brough injured her hand.

Jacksonville Gridders Prep For Openers

Jacksonville football coaches have been drilling their charges strenuously for the past few weeks in preparation for the approaching '49 grid season. Bob Kraushaar's Jacksonville high gridders will appear on a home field first this year when they tangle with Pittsfield's Saukkee tribe here on the night of Sept. 16. Routt, Illinois College and ISD clubs follow with their home openers in rapid succession.

The upper left-hand photo shows Routt Coach Paul Stroud directing his Rocket huskies through a six-man practice session. Routt's renaissance in the football world brought the number of grid teams in town to four. Shown in the Rocket lineup from left to right are Billy Kaufmann, Sonny Lonergan, "Hinky" Henry, A. J. Spreen, Jack Murphy, Coach Stroud, and Dick Cosler. Routt opens its season here Sept. 22 at night.

Jim Villani, one of ISD's six returning regulars from last year's great eleven, is shown catching a pass. Art Yates is working one of the smallest squads in ASD history into shape for the Tigers' home appearance against Carrollton, Sept. 24. Quarterback "Pee Wee" Campbell stretches and flips a short pass in the lower left-hand shot as the J. H. S. Crimson ready for Glenn Smith's perennially tough Pittsfield eleven.

The last picture bears mute testimony that Al Miller is sparing no sweat in hardening his Illinois College athletes for the coming Millikin game here Sept. 23. Snapped during a hardy scrimmage session, the picture shows three Blueboy linemen smearing a blue jerseyed ball-carrier as he tries a play designed to give the Big Blue from Decatur lots of trouble two weeks hence. Joe Baker, a 200 pound tackle, is the only recognizable Hilltop player in the picture.

Graziano To Fight Fusari In N.Y. Wednesday Night

New York, Sept. 10.—(AP)—After two years of exile during which he won and lost the middleweight title, Rocky Graziano returns to his home town Wednesday night for a 10-round bout with Charlie Fusari of Irvington, N.J., at the polo grounds.

Nobody knows for sure if the Rock still can fight in the old pre-

Tony Zale style but some 35,000 are expected to pay about \$200,000 to find out for sure. There will be no television but the bout, scheduled for 8 p.m. (CST), will be broadcast.

Graziano, at 27, is at the crossroads of his career. Three terrific bouts with ex-champion Zale, two knockout defeats and one kayo victory, may have snuffed out the "Killer" spark. You wouldn't think so if you saw him manhandle his sparring partners at his Summit, N.J., training camp.

The University of Arizona has 23 lettermen back for its 1949 football schedule.

Ryder Cup Golf Matches To Begin In U.S. On Friday

Ganton, England, Sept. 10.—(AP)—A well-fought team of husky Americans will attempt to stage off the challenge of the revenge-minded British here Friday and Saturday for the Ryder Cup—symbol of world supremacy in professional golf.

The Americans probably will win. But if they have an easy time it will come as a great surprise to these islands where golf was born.

Never at their best on U. S. courses, the British always have been tough at home. They've won only two of the seven Ryder Cup meetings but they've lost only once on this side of the Atlantic.

Their desire for revenge stems from an 11-0 trouncing at Portland, Ore., two years ago in the first renewal since the war.

The gently rolling Ganton course will be a true test of skill for both teams. It produced the only two Britons ever to win the U. S. open championship, Harry Vardon and Ted Ray.

Nestled in a valley nine miles from the North Sea, the course demands long, accurate drives and approach shots. This is the key to the British hopes. Each of the ten men available to the home side has a reputation as a straight driver.

Mathisen Named Freshman Cage Coach At U. Of I.

ampaign, Ill., Sept. 10.—(AP)—Art Mathisen, former University of Illinois "Whiz Kid," was appointed head freshman basketball coach at the university today.

Mathisen was captain and center of the famed team which in 1943 swept through the Big Ten basketball season undefeated.

He served overseas during the war and played a year of professional basketball. Last year he coached at the Granville, Ill., high school.

Mathisen will study for his master's degree while coaching.

The 'A' In Saigh Is Silent But The St. Louis Card Owner's Money Talks

By Frank Eck
AP Newsfeatures Sports Editor

New York — Fred M. Saigh has changed his mind about big league baseball.

When he bought the St. Louis Cardinals last January it was just another business investment, or so he thought at the time. But Saigh, a pleasant yet serious-minded Syrian, has fallen in love with his Red Birds, lock stock and barrel.

He owns 99 per cent plus of their stock—seven shares are held by a doctor, a printer and a history professor — and intends to put any profit he makes back to improve the club and its vast minor league holdings.

Saigh has even quit as a practicing attorney and is devoting all his time to the "front office, even to the extent of doubling as general manager. He has moved his office to Sportsman's Park in St. Louis where he usually is one of the first on the scene and the last to leave the day of a Cardinal game.

By January, Saigh says he will know definitely whether the Cardinals will build a new ball park. At present they are tenants of the St. Louis Browns who, on several occasions this year, have sought to raise the \$35,000 yearly rental charged the Cards.

Park Upkeep Is High

"Truth of the matter is," says Saigh in a very calm manner "that the rental actually runs much higher when you consider it will cost the Cardinals an additional \$105,000 this season to keep the park in shape with a ground crew while the Browns are on the road. I consider this 'take home' pay for the Browns."

Saigh doesn't believe that the Browns will move their franchise to the coast, as has been reported a number of times. "There are too many factors involved," says the Cardinal president.

"There's no reason why St. Louis can't support two winning teams," says baseball's newest magnate. "This year we will outdraw St. Louis population of 1,500,000 people. On the basis of advance sales for our final home stand we'll break our record of 1,247,913 set in 1947."

Saigh—the a is silent—gets puffed to the core when anyone even hints that the Cards are in poor shape, financially or physically, as was reported last winter. The large Red Bird chain cost Saigh a cool \$406,000, it has been learned. The Cards have working agreement with 22 minor league clubs and own 16 of them outright. Biggest franchises are in Rochester, Houston and Columbus. And at each of their parks Saigh has the food concession, a big item in baseball.

Saigh sees future Cardinals on many clubs. At Rochester he is ready to bring in Steve Bilko, home-run hitting first baseman who recently hit four homers in a twin bill against Newark. On one of their Class D teams they "have another Joe Medwick" who is hitting .410. This year he added the Geneva Red Birds in the Alabama State League and by next spring plans to have two more Class D teams in the huge chain.

Believes In Good Will

Saigh, who considers himself "very lucky rather than smart" because of the many successful business deals that have come his way, is using every idea at his command to build good will with Cardinal fans.

During the July series with the Dodgers it rained before one of the games. The stands were packed. Saigh promptly got in touch with the weather bureau and had the park announcer inform the fans about the weather man's prediction. The fans were willing to wait until it stopped raining. Those who did not could have their money refunded.

The story goes that Saigh's purchase of the Cards was his third major transaction in as many years. But there was a deal in the late 39's that Saigh will always remember.

An old lady, shabbily dressed, for walked into the building where he conducted his law office "Her lawyer had lamb, kid, marmot, and squirrel.

TOURNEY TO OPEN

Portland, Ore., Sept. 10.—(AP)—The Amateur Softball Association tournament for women will open here tomorrow night for a week-long run. On hand will be 15 teams, survivors of ASA playoffs in every region of the country.

Cardinals And Dodgers Win; Red Sox Gain On Yankees

Redbirds Edge Reds 5-5 As Bums Eke Out 5-4 Win Over Giants

Cincinnati, Sept. 10.—(P)—Stan Musial today took personal charge today to protect the St. Louis Cardinals' one-game lead over Brooklyn in the tight National League pennant race. He blasted a home run into the right field bleachers with two on and two out in the first of the ninth to give the Cards a 6 to 5 victory over the Cincinnati Reds.

The towering blast, which was fair by only about five feet, came just after the Reds had taken a 4 to 3 lead in the last of the eighth. It was Musial's 29th homer of the season. At that, the Cards barely staggered in their victory.

Cincinnati rallied for a run in the last of the ninth and had the tying and winning runs on base when Jimmy Bloodworth grounded to Marty Marion for the final out.

So desperate was the Cardinal situation in that frame that Manager Eddie Dyer used three pitchers in the one inning. Ted Wilks had relieved starter Max Lanier at the opening of the inning and Alpha Brazle and George Munger followed him to the mound as the Cards fought to hold their lead.

Howard Fox, the Reds' hard luck pitcher, went all the way for Cincinnati and yielded only five hits but three Redleg errors did him a lot of damage.

9th Inning Rally
Brooklyn, Sept. 10.—(P)—The Brooklyn Dodgers edged the New York Giants 5-4 today, scoring the winning run in the ninth inning on a ground ball that traveled less than 90 feet.

Pitcher Erv Palica's scratch single, a slow bouncer off First Baseman Joe Lafata's glove, scored Bruce Edwards from third with the winning run.

Edwards had walked to open the

inning and raced to third when Duke Snider's grounder went through Billy Rigney's legs for a two-base error. The Giants waged an uphill battle throughout. Brooklyn clipped Monty Kennedy for two runs in the third on Roy Campanella's 20th homer and singles by Don Newcombe and Pee Wee Reese and Ed Miksis' fly to a 6 to 5 victory over the Cincinnati Reds.

Newcombe, seeking his 16th victory, gave up a run in the fourth and was driven out in favor of Palica in the sixth when the Giants scored twice to take a 3-2 lead.

The Dodgers scored two runs in the bottom of the sixth to move ahead, 4-3, but the Giants tied it up in the seventh.

Chicago Bears Win Fourth Straight From Giants 20-17

Chicago, Sept. 10.—(P)—Rookie George Blanda's second field goal in the closing minutes from a difficult angle gave the Chicago Bears a 20 to 17 exhibition triumph over the New York Giants before 32,560 at Wrigley Field today.

It was the fourth straight triumph of the National Football league pre-campaign season for the unbeaten Bears.

Blanda, former Kentucky quarterback, tossed a touchdown pass and converted after both Bear touchdowns as well as booting his two field goals.

The Giants came back from a 10-0 second period deficit to tie the score at 17-17 in the fourth quarter on Ray Poole's 19 yard field goal.

With a minute and a half left, Blanda kicked his deciding field goal from the nine-yard line far to one side of the goal posts.

George Gulyanics scored both Bear touchdowns, on Blanda's six yard pass and a one-foot plunge. Chuck Conerly's 14-yard pass to Poole and Joe Scott's 27-yard run provided the two Giant touchdowns.

Chicago Cubs Whip Pittsburgh 9 To 5

Pittsburgh, Sept. 10.—(P)—The Pittsburgh Pirates lost their fifth straight game and the 13th of their last 14 today by drooping a 9-5 decision to the Chicago Cubs before 5,376 fans.

It was the fourth consecutive win for the Cubs. Dutch Leonard was the winning hurler but had to have help from Bob Rush when the Pirates connected for five straight hits in the eighth inning and scored four runs.

Home runs by Herman Reich and Mickey Owen, off Bill Werle, gave the Cubs a comfortable early lead. When they added three more runs in the seventh Werle was sent to the showers.

Bob Ramazzotti, who tripled and stole home in the third, doubled home the first run in the seventh. Pinch hitter Forrest Burgess singled home two more. Frank Baumholtz singled for the final two Cub runs in the ninth.

Braves Defeat Phillies 1 To 0

Boston, Sept. 10.—(P)—Lefty Warren Spahn struck out 11 batters to 1-0 decision over the Philadelphia Phillies, snapping a Boston losing streak which had run through nine games. The victory enabled the Braves to jump back into fourth place in the National league, a half game ahead of the New York Giants.

The shutout was the fourth of the season for Spahn, who won his 18th victory. He took over the National league lead in strikeouts at the same time.

The stylish left hander now has fanned 133 batters.

The Braves scored the only run of the game in the opening inning after the first two batters had been retired.

Jim Russell grounded a single through the middle into center field and went all the way around when Mary Rickert poked a high double off the fence in right field.

3 Youths Try To Rob Bobo Newsom

Chattanooga, Tenn., Sept. 10.—(P)—Big Louis (Bobo) Newsom, Chattanooga Lookout pitcher, was slugged today by one of three youths who attempted to rob him, police said.

Bobo said the attempted robbery occurred early this morning after he offered a ride to a hitchhiker.

"I wasn't even scratched," the former major leaguer reported. "I was going home and saw this kid. I thought he was a schoolboy and offered him a ride. He was hitchhiking. When I leaned over to open the door and let him in, two other boys came up on the other side of the car and one of them hit me. There was nothing to it. I didn't lose a thing."

Police said the trio was frightened away by an approaching car.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, Sept. 10.—(P)—A \$17.75 to \$22.25 range prevailed for hogs today, closing a week of small price changes. Cattle and sheep were quoted nominally steady at the end of week of generally advancing prices.

Feature of the hog trade this week was the scarcity of butcher hogs with weight. Livestock men said it had been a long time since the proportion of hogs weighing more than 240 pounds was so small. Barrows and gilts weighing over 180 pounds ended 25 cents higher, lighter weights steady and sows about 50 cents higher.

A top of \$32.00 was paid on Wednesday and again on Friday for choice steers in the cattle market. This was the highest price since last January. Throughout all sections of the cattle market quotations advanced, except on bulls, with support coming from a higher dressed beef trade. Receipts were cut down by the Labor Day holiday, Monday.

Big packers competed with eastern order buyers for limited offerings in the sheep section. Western lambs did not appear. As a result, native slaughter lambs closed the week 50 to 75 cents higher with the closing top \$25.00.

FAN BREEZES

BY BOB MERRIS

HOLD THE PHONE, FOOTBALL

Some time ago we editorialized to great extent on Bruce I. Hayes, one-time professional baseball player in Jacksonville and now a scout for the Chicago Cubs and Nashville Colonels in the Southern Association.

Our acquaintance with Mr. Hayes, although short-lived, stayed in our memory and proof that Jacksonville stuck with Mr. Hayes, even after he left, was demonstrated when the Journal-Courier received a letter from the elderly baseball ivory-hunter.

Although vacationing in Jacksonville, the scout took a busman's holiday long enough to look over some of our more outstanding young ball players. Apparently he was impressed with what he saw. In a post-script, he mentions Ferrell Mitchell, Stan Spotts and Charley Due and asks that we pass on the contents of his letter to every aspiring young diamond enthusiast in town.

Because of his request, and because we believe that Mr. Hayes and his hints are good copy, we submit these timely baseball tips as taken from his letter.

His letter starts:

While in Jacksonville several boys asked me a few questions about how to play the outfield and everybody connected with the baseball club and you were so anxious to be courteous to me, I thought that maybe a few tips to the boys would be the proper way for to help keep in condition to play the game.

"Keep your eye on the ball." Practice the following suggestions—If you have a good throwing arm, and you like to play the outfield, waste no energy while on a field to practice, concentrate on your work, for practice and experience will be your teacher.

Run in and out to your position to keep your blood in circulation, refrain from hanging around air conditioned sweet shoppes, sipping cold drinks before going out to play. You get to refined to don the flannels and sweat during game.

The best way to throw and only safe way is overhand, toss the ball overhand make low throw on the bounce to basemen. In relay ball throw low overhand on line so as ball can be cut off and ball will not go wild to basemen and catcher.

A left fielder works along with third baseman in guarding the left field line. When a ball is batted towards the short stop or third baseman, come in to back them up in case the ball gets through charge in and never wait until you see if ball gets by them. Come in and get mixed up in the run down plays also when fly ball is hit that you can handle holler loud "I have it, or I've got it" is good grammar, if other player is handling the chance holler "Take it, Nobody Near you" calling your team mate by name, such as "Take it Tommie, Nobody Near You, Tommie."

When pitcher is ready to deliver

ball to batter be on your toes then you can start in, go backwards or to right or left.

Have an understanding with short stop that when you call on him to relay the kind of pitch the catcher is asking for, to relay by sign to you pronto. Do not leave position until the pitch is made to batter, pitchers do not always have good control, keep on toes and be ready. Call short stop by name to attract his attention in such a manner "Shake it up Johnny 'ole boy, hav'n't heard from you all day" or "Where's the gimninger Johnny, tell me som'tin' kid."

If men are on bases and game is tight, and you figure the bunt will be pulled, soon as you see batter relax to bunt, charge in to back up third baseman, if second base is occupied when batter relaxes to bunt come in fast to help in case the pitcher or first baseman uncorks a heave.

Insist on short stop relaying the waste ball signal to you always my idea the bigger your short stop makes signal the better, because on some clubs all the players do not know their own signals so why worry about them getting your signal catchers do not try to pick runners off bases but Oh! Boy! when they make a peg to third base you better have your head up and be on your toes to back up hurried throws.

Get someone to bat flies over your head and learn to go back for them have balls batted to "bofe" sides, and a lot of practice coming in on line drives so as you will find out when to try and when to play a liner safe.

"Players do not hustle, never get along with other players on a good nine," with experience you will learn to hustle with one thought in mind win games. All a boy gets out of playing is his turn at bat O.K. then hustle to retire other side and get your whack at the agate. If ever you become a professional aside of salary it will be the same retire other side, come in and take your turn at bat.

Run, run and run, condition is everything, condition of legs and wind, you must and it is a must, practice moderation in eating and exercise when growing, sun baths are no good, only for sick folks are sun baths.

Coach Campbell Has Envious Mark At Roodhouse

Coach Mason "Humpty" Campbell, who has built one of the state's finest all-around records in his ten years at Roodhouse high school, is drilling his football squad in preparation for the 1949 season.

Campbell's football teams have won 58 valley games, lost 7 and tied 2 in the past decade.

This record is all the more impressive when it is considered that Roodhouse is one of the smaller schools in the eight-team circuit.

In the last ten years of football competition, Roodhouse teams have grabbed 6 unshared titles and 3 co-championships. Campbell's 1948 eleven won 3 and dropped 4 tussles to encompass one of the worst seasons of the doughty coach's reign at the Greene county school.

A home town boy, Campbell graduated from Roodhouse high in 1926. He received his A. B. degree from Illinois Wesleyan University four years later and was awarded his masters from the U. of I. in 1940. He started teaching at Roodhouse in 1930, serving as assistant coach for five years before moving up to the head coach job in 1935.

Branch Rickey Trying To Unload Negro Outfielder

Chicago, Sept. 10.—(P)—President Branch Rickey of the Brooklyn Dodgers was in town today, reportedly trying to push the sale of negro Outfielder Sam Jethroe of the Montreal club to the Chicago White Sox.

Rickey spent the afternoon conferring with General Manager Frank Lane of the Sox.

Emissaries of the Dodgers have been giving Lane a sales talk on Jethroe for weeks. When Branch Rickey, Jr., met Lane in Cleveland a month ago, the price tag on Jethroe was \$300,000.

Run, run and run, condition is everything, condition of legs and wind, you must and it is a must, practice moderation in eating and exercise when growing, sun baths are no good, only for sick folks are sun baths.

But some 25,000 fans went home convinced that the Redskins have quite a quarterback in Little Harry Gilmer, heir apparent to the great Sammy Baugh.

Christman fired 13 times and ten were caught. The old Missouri quarterback just couldn't miss when Billy Dewell, Elmer Angsman and Charley Tripp appeared in open spaces.

Gilmer threw 27 times and completed nine. At least five of his tosses were muffed.

Bosox Whip Athletics To Come Within Game Of Yanks In AL Race

New York, Sept. 10.—(P)—The last place Washington Senators scared the pants off the New York Yankees today, defeating the American League front-runners, 4-3 in the first game of a double-header before bowing, 8-1 in the finale.

The split cut the Yanks' lead over the rampaging Boston Red Sox to a single game, lowest edge the Yanks have held since the beginning of the season. A defeat in the second game, called after the Senator eighth because of darkness, would have sliced the Yank lead to four percentage points.

Rae Scarborough tamed the Yanks in the first game, outpitching Vic Raschi who was seeking his 19th triumph. The Senators wrapped up the first game in the sixth with a two run rally. Jake Early doubled home the first run and Raschi forced home the second when he walked Gil Coon with the bases loaded.

The Senators battled the Yanks for six innings in the nightcap before the Yanks led the game with a five-run blast in the seventh.

The Yanks entertain the Senators in another doubleheader tomorrow while the Red Sox clash with the Athletics in a bargain bill at Philadelphia.

Philadelphia, Sept. 10.—(P)—The hot Boston Red Sox leaped closer to the New York Yankees in the American League pennant race today by slugging the Philadelphia Athletics, 9 to 1.

The Sox moved at least temporarily to within one-half game of the first place Yanks who lost the opener of a doubleheader with Washington, 4-3. It was the closest Boston has been all season. The Yanks took the nightcap 8-1, to pull a full game in front of Boston.

Southpaw Mel Parnell held the A's to three hits for his 22nd victory against seven defeats.

His teammates jumped on Pitcher Dick Fowler for six runs in the first inning.

National Home Week Gives 1950 Previews Of 2,500 New Houses

New York, Sept. 10—(AP)—The world's biggest home show opens today.

More than 2,500 new model houses, exhibiting the wares of American home builders, are on parade in some 700 communities throughout the United States.

The event is the beginning of National Home Week.

It marks the peak of the season when the greatest number of houses are being completed from coast to coast. According to the National Association of Home Builders, about 200,000 dwellings are now in various stages of construction. Sample houses are being shown furnished and unfurnished—some in their framing stages, if you are interested in construction techniques.

Exhibit "A" for the week is the half-century house, representing a preview of the 1950 home in each community. In some cases this is a compact cottage, in others a rambling luxurious residence but in all cases it typifies the best for the price which the building industry can offer today.

Traftons Return From Western Trip

Mr. and Mrs. Clyde Trafton, 1708 Mound avenue, have returned from the 7300-mile trip through the western states and Canada.

Among the places of interest which they visited were Cheyenne, Wyo., where they witnessed the annual rodeo and parade; Mt. Rushmore, the Big Horn mountains, the Bad Lands and Yellowstone and Glacier National parks.

They visited friends in Republic, Wash., where they enjoyed lunch in a gold mine, and from there went to Fall City, Canada.

In Anacortes, Wash., they visited Mr. Trafton's brother and sister-in-law, Mr. and Mrs. Jack Trafton. They also stopped in Everett, Wash., their former home.

Traveling the Columbia highway, they went to Salt Lake City and later visited Bryce and Zion canyons in Utah. On their return trip, they went through New Mexico, Arizona, Oklahoma and the Ozarks.

IN APPRECIATION

The citizens of Winchester take this opportunity to express their deepest appreciation to the Jacksonville Fire and Police departments for the immediate and able assistance rendered during yesterday's fire.

Signed,

James Bailey, Mayor.

States Jealousy Caused Shooting Of U.S. Explorer

Canton, Sept. 10—(P)—Explorer Leonard Clark said today his host, Willard Freeman, "pulled a jealousy act" during an argument that ended in the wounding of the two Americans and the death of a British friend.

Attractive, blonde Maya Freeman insisted her husband was not jealous about the 42-year-old San Francisco explorer, who has claimed he recently found a peak higher than Mount Everest.

"There wasn't anything to be jealous about," said the vivacious Polish woman in an interview.

She has been under medical care for shock since the brawl and shooting fray at the Freeman home (Thursday), her birthday and the Freeman's fourth wedding anniversary.

Chinese police said they had been unable to determine who wielded the .32-calibre pistol with which all three men were shot.

The Norwegian physician who works for the world health organization said he was extremely pessimistic over Freeman's chance of recovery.

Clark, shot through the chest, was reported slightly improved.

The dead man was Harold Harris, 45, Shanghai-born British subject, who like Clark was a guest at the Freeman home.

MacMurray Counselors Greet New Students

Freshman students of MacMurray college will arrive on the campus Sunday from 22 States and four foreign countries. Upon arrival all beginning students will be met by their upperclass counselors who will aid them during the first few weeks of college to adjust to college life. Forty-eight student counselors under the direction of Jane Morrison will aid the freshmen.

At 9:00 o'clock Sunday the upper class counselors will meet for their instructions. They will then meet their freshmen counselees when they arrive on the campus Sunday afternoon.

On Monday morning the freshmen will take a series of tests to determine their standings in Spanish, typewriting and shorthand. These tests will be followed by an address of welcome by President McClelland. The beginning students and their parents have been invited to this meeting.

In the afternoon orientation tests will be given to all students followed by a meeting of all new students. In the evening all new students will be the guests of the faculty of the college in a faculty reception. At this reception the students will be introduced to the administrative officers of the college and their wives and to the faculty members and their wives.

The faculty has just completed a two day conference in which the educational problems of the college were discussed by faculty members. At the conclusion of this two-day conference President McClelland announced the following faculty committees for the year.

Artists Course: J. C. Clelland, chairman; Beggs, McGhee, Robbins, Shaw, Sheridan. Calendar: Olson, chairman; Busche, Hawkins, McCue. Classification: Galloway, chairman; Dyringer, Johnston, Moore, Rose, Spencer. Court-

Curriculum: McClelland, chairman; Bullington, Burrows, Gibson, Giddings, Henderson, Holcombe, Rieck. Examination Schedule: Bullington, chairman; Bertoglio, Wilson. Faculty Dinner: Nudd, chairman; Ingalls, McCune, Paton. Roehning. Faculty Show: Gibson, chairman. Lecture Course: Blair, chairman; Finnberg, Hansen.

Library: Halverson, chairman; Gampfer, Hargrave, Kanatzer, Shine. Orientation: Cunningham, chairman. Permanent Schedule: Hawkins, chairman; Bailey, Meyer, Schumacker. Student Relations: Teague, chairman; Raymaker, Rowland, Scott, Stewart.

Leah E. Galloway Dies In Woodson; Funeral Monday

Leah E. Galloway passed away Saturday at 10:45 p.m. at the home of her daughter, Mrs. Charles Riggs in Woodson.

Born in Opdike, Ill., Nov. 6, 1872, the decedent was the daughter of Alfred and Mary Smith. Her marriage to William Galloway was solemnized Dec. 27, 1894.

He preceded her in death, along with two sisters, Laura Fitzsimmons and Ellen Adams.

Surviving are three children: Mrs. Riggs, R. Galloway of San Gabriel, Calif., and J. C. Galloway of Los Angeles, Calif.; two grandchildren, Jimmy Galloway of the U. S. Army and Philip Riggs of Sloan Springs, Ark.; and one great grandchild, Judy Riggs.

The body was brought to Gillham Funeral home, where the family will meet friends Sunday from 7 to 9 p.m.

Funeral services will be conducted Monday at 2 p.m. at the Woodson Christian church, of which Mrs. Galloway was a member. Rev. A. D. Hermann, pastor, will officiate.

Burial will be in Murrayville cemetery.

Woman Charged With Killing Mate Who Dated Actress

Manila, Sept. 10—(P)—An attractive widow was charged today with murdering her American husband because he dated a movie actress.

The dead man was George C. Murray, 26, of Kansas City, Mo., wartime U. S. Army intelligence agent and lately a prominent man-about-Manila and dealer in war surplus.

Murray was shot to death by his own 38 calibre revolver in his home in suburban San Juan early Aug. 13. Today a formal murder charge was filed against his widow, Mrs. Ester Del Rosaria Murray, 32-year-old Philippine social figure.

Protesting her innocence, she was held without bail at headquarters of the National Bureau of Investigation.

Mother of three daughters and a son by a previous marriage, she was married to Murray three years ago.

The San Juan police, the national police and the National Bureau of Investigation, all alleged that Mrs. Murray shot her husband while he slept and that the motive was jealousy due to his attentions to a local actress, Carol Varga.

VACATIONING AT RESORT

Mrs. M. E. Schmalz of 817 S. Main street is vacationing at a lake resort near Ephraim, Wis. She is accompanied by Mr. and Mrs. George A. Schmalz of Chicago.

Mrs. Fred Goes of Marshalltown, Iowa, is visiting her sister, Mrs. Fred DeFries on Allen avenue, and other relatives and friends in Jacksonville.

LEAVES FOR COLLEGE

Miss Virginia Lane, daughter of Mrs. Ben Lane, 125 Westminster street, has left for Stout Institute at Menominee, Wis.

TO ENTERTAIN CLUB

Mrs. J. W. Rawlings will entertain the Strawn's Crossing Woman's club at Hamilton's cafe Tuesday at 2:30 p.m.

MEN—READ CAREFULLY

Mon. Sept. 12, 7 P.M.

I want to talk to 15 men. Men who are really ambitious for the opportunity of making money.

It doesn't matter what your past work has been. All we ask is that you are willing to study and learn as we teach you our work.

I especially am interested in talking to a man mechanically inclined and who knows a good thing when he sees it.

It will be necessary that you be willing to get along on \$35 to \$45 weekly for first 3 to 4 weeks while learning our work.

We prefer men who are married or who have some responsibility. Have opening for 2 or 3 part-time men also. Car necessary.

Therefore, if you are honest and of good character, a willing worker and neat in appearance, come and talk with me.

Three Prisoners Slug Greene Co. Sheriff, Escape

Carrollton, Ill., Sept. 10—(P)—Three 21-year-old ex-convicts beat up the sheriff and escaped tonight from the Greene County jail.

The fugitives are Ernest Snyder and Dudley Weston, who were paroled in July from the Canyon City, Colo. prison, and Harold Kessinger, a federal prison parolee from Carrollton.

Sheriff Arthur Powell said the prisoners attacked him in the jail "bullpen." One of them felled Powell with a punch to the jaw. The three then fled out the front door of the jail about 8 p.m. (CST).

The sheriff was alone with the prisoners at the time. Snyder had feigned illness and the sheriff was putting him back in the bullpen after an examination by a doctor when the break occurred.

Sheriff Powell said he had picked up Snyder and Weston in nearby New Providence, Ill., and was holding them for Denver authorities.

Denver police, Powell said, were seeking extradition of Snyder and Weston on charges of burglary and warrant. They also are wanted by the FBI for violation of the federal auto theft law, the sheriff said.

He said both have served several prison terms.

Kessinger was being held on charges of burglary and larceny.

Local authorities and state police started a search for the fugitives but two hours later had reported no trace of them.

Farmer Gives Self Up After Shooting Youth In Argument

Cartersville, Ga., Sept. 10—(P)—A mountain farmer, 35-year-old John Jordan, gave himself up today to face charges of kidnapping and shooting a Cartersville student in a traffic accident argument.

He and his brother, Will, a Cartersville mill worker, both were charged with kidnapping Donald Brown, 18, in warrants obtained during the day by the youth's father, Hiram Brown.

John Jordan also was charged with assault with intent to murder and drunken driving and his brother Will with being an accessory to the assault.

Will was arrested late yesterday after young Brown reported he was hauled in a truck to John's home in the hills and shot in the back with a birdshot as he escaped foot.

Donald, a student at Georgia military academy, said the truck, occupied by the Jordan brothers, smashed into his automobile on a Bartow county road. He told them, he added, they would have to pay and they agreed to drive him to Cartersville and settle up.

During the two week trip they stopped the cities of Chicago; Detroit, Mich.; Toronto and Niagara Falls, Canada; New York City and Washington, D.C.

Southern States visited include Virginia, North Carolina, Kentucky, Tennessee, Alabama and Georgia.

Mrs. Eloise Clayton Edwards returned recently from Detroit, Mich., where she visited her aunts and uncles Mr. and Mrs. Sam Wild and Mr. and Mrs. William Sehy.

Damage Estimated At \$100,000; Local Fire Department Called

Winchester—Fire of unknown origin completely razed the R & W dress manufacturing company in downtown Winchester Saturday afternoon.

The blaze was discovered at 3:30 p.m. by Roy Phears—ex-chief of the Winchester fire department—who lives behind the factory.

The wooden structure burned rapidly. At 4:08 p. m. the Jacksonville fire department was summoned and dispatched a truck to the scene.

The conflagration raged for more than two hours, completely gutting the building, Wallace Bishop, manager of the dress making concern, estimated the damage at \$100,000. It was reported partially covered by insurance.

No one was injured.

Cause Not Disccovered

Bishop reported that cause of the damage had not yet been revealed. Saturday night. The manager, who represents a St. Louis corporation, announced that he had left the factory about 30 minutes before the blaze was discovered by Phears. The plant is shut down on Saturday afternoons and no employees were in the building.

Winchester residents announced that the fire was the worst that the Scott county seat town has suffered in over 20 years. The last great fire was when the Suter Ford Garage burned in the winter of 1926.

Employed 65 Persons

The R & W manufacturing company, formerly known as the Co-Ed dressmaking company, employed 65 Winchester residents. It is owned by a corporation headed by I. Doishmen of St. Louis, Mo.

Chief Killoran and Sgt. Spreen of the Jacksonville Police Department accompanied the fire fighters to Winchester and helped control the crowd. Jacksonville authorities were kept notified of the action by two way radio.

Child Drowned As Mother Drags Two Into Suicide Try

Wallaceburg, O., Sept. 10—(P)—A screaming eight-year-old girl clutched firmly by her mother's hand drowned today in a nearby river. The mother was rescued unconscious by another daughter from what police called a suicide attempt.

Wallaceburg police said eyewitnesses told them the woman, Mrs. Barbara Doychak of Wallaceburg, dragged the two children into the Sydenham river.

Police told this story of the drowning as reported by passerby who assisted in pulling the unconscious mother from the water.

Mrs. Doychak, holding her screaming daughters Irene, 8, and Joan, 11, by the hands—waded into the river. Joan managed to break away as the other two continued into deeper water.

Joan stopped a passing car on the roadway, tied a fishing line about her waist and went back into the river after her mother. Irene had disappeared beneath the water by that time but the motorists pulled both Joan and her mother from the water.

Wallaceburg firemen using an inflater to revive Mrs. Doychak who was taken to a hospital in critical condition.
